

Who We Are

Our mission is to put Christian principles into practice through programs that build a healthy spirit, mind, and body for all.

The Y is the nation's leading nonprofit committed to strengthening communities in the areas of youth development, healthy living, and social responsibility. Every day, we work side-by-side with our neighbors to make sure that everyone, regardless of age, income or background, has the opportunity to learn and grow. For more than 150 years the **YMCA of Greater Spartanburg** has provided a safe, caring environment, positive role models, and creative programs to **serve all ages, races, religions, income levels, and abilities.**

- We serve over 11,000 members at both YMCA branches
- Over 6000 members and guests visit our facilities each week
- We host 7-8 swim meets annually, bringing in over 4000 visitors from all over the Southeast
